Curriculum Information

Year 6

Spring Term

PSHE

This term's puzzle piece is called 'Dreams and Goals'. We will be learning about how to set realistic targets and how we can take the right steps towards achieving them. We will be exploring how we can challenge ourselves and how we can work with others to reach common goals.

RE

We will be learning about Parinirvana which is celebrated on the 15th of February and commemorates the death of Buddha and his passing into Nirvana.

COMPUTING

In computing over the spring term, we will be demonstrating how programs run in an exact order by following a sequence of instructions and we will be testing and debugging programs.

MUSIC

This term's musical project is called 'Creative Composition'. In this unit we will create accompaniment for a melody using chords. We will also explore how chords are used within music by listening and responding to 'La Bamba' and looking at composition activities linked to 'Disco Fever'.

PE

Across the term, we will cover Basketball, Netball, Cricket and Rounders.

MATHEMATICS

This term in mathematics, we will be learning:

- Ratio and fractions
- Scale drawings
- Similar shapes
- Ratio and proportion problems
- Algebra function machines
- Substitution
- Formulae
- Place value within 1 – decimal place value
- Round, add and subtract decimals
- Multiply and divide by 10, 100, 1000
- Multiply and divide decimals by integers
- Decimal and fraction equivalents
- Order fractions, decimals and percentages
- Percentage of an amount
- Area and perimeter
- Area of triangles and parallelograms
